

Sponsor An Animal Program FAQs

★ *Why Sponsor an Animal?*

Your support helps to defray the costs to care for your selected animal, including healthy food and veterinary care. Donations also support improvements to animal enclosures and provides them with new toys, bowls and bedding materials.

★ *Why does the museum have a collection of animals?*

Animals are part of our educational mission. Children learn the distinctions between different species, natural habitats, methods of self-preservation and more. Our trained and qualified staff provides resident animals with a healthy diet, medical care, and lots of love and attention.

★ *Where did the museum get the animals?*

The Lutz Children's Museum does not accept animals that can survive in the wild. Wild animals were deemed unreleasable by a veterinarian or licensed wildlife rehabilitator. Domesticated animals at the museum were homeless or in need of a better life.

★ *Is my donation tax deductible?*

The Lutz Children's Museum is a qualified non-profit organization and your donation may be tax deductible. Please consult your tax advisor for details.
